## ABOUT US

---

Altair & Alang is a boutique UK-based management consulting firm with a global footprint, serving clients across EMEA, APAC, and the Americas. We specialise in business intelligence, financial strategy, and actionable insights tailored to our client's needs. We partner with clients to uncover data-driven opportunities, optimise financial performance, and empower strategic decision-making.

While our roots are in the financial services and capital markets, our strength lies in data and analytics that translate across all industries. We bring deep functional expertise to a wide range of sectors, including fintech, insurance and cybersecurity. Whether optimising operating models, designing scalable data strategies, or enhancing regulatory insight, we help clients make smarter decisions and deliver measurable results in dynamic environments.

Our deliverables combine deep industry knowledge with advanced analytics to deliver impactful solutions that drive measurable results and long-term success.
